THE CHRISTIAN PUBLISHING ASSOCIATION

JOHN H. STEWART, Manager

DAYTON, OHIO

This Annual contains quite an amount of history that must, of necessity, be published each and every year. This number will be used by a large number of people this year, to whom it will be entirely new, and they are entitled to all the information it contains. Then too, it is a record of the year's activities and results of the whole church, for the whole year, and both old and new users of the book are entitled to such records.

This Annual contains a record of our ministers and churches for the past year; where the ministers have labored, the compensation received; the number of members added to the churches under their care; the names and number of deceased ministers; the names and number of those ordained during the year; a record of dedications, rededications, and many other events of like character which occur each and every year, of which a permanent record should be made and kept.

This Annual contains the usual record of conferences, churches, Sunday-schools, Christian Endeavor Societies, but with an entirely new arrangement in the make-up. Under the general head of Department of Christian Education, will be listed the departmental matter, our colleges, and the record and statistics of the Sunday-schools, Christian Endeavor Societies, and other organizations of like character, and the conferences will be arranged according to their membership in the several regional territories.

This Annual contains some information never before published, concerning the attendance upon the regular worship of the church. The information was secured from the church clerks, in answer to a questionnaire mailed to them from the Convention Office. A few clerks failed to reply, even after repeated requests, so that whatever injustice may be apparent in the report, is not chargeable to this office. The churches, in almost all of the conferences, are reported in full. It will be worth while to study the attendance as given in the conference summaries.

NOTE: Rev. W. J. Young, of Mt. Sterling, Ohio, presided during the address of Hon. O. W. Whitelock.

Just before the President arose to give his address, he was presented with a large and delicately planned basket of American Beauty roses, from the Board of Trustees. The presentation was by Rev. C. E. Huff, of Oronoque, Kansas.

Another happy event was the formal presentation of a similar floral tribute to Manager John H. Stewart, by Mr. Hermon Eldredge in behalf of the editors and departmental officials as a testimony of their appreciation of the untiring zeal with which he has prosecuted the manifold and arduous duties connected with the building of this new denominational home; and a similar floral greeting was given Mr. Stewart by the various departments and employees of the Association.

Rev. D. G. Pleasant directed the music during the day. The special music furnished by Mr. Meredith Stewart and Miss Elizabeth Banta, and by the orchestra of the Piqua Christian Church was of an exceptionally high quality and deeply appreciated. And the singing interludes by Miss Marian Morrill added greatly to the impressiveness of her mother's beautiful closing address in the evening.

The following named ministers were introduced, who attended, and had part, in the dedication of the building in 1905: Henry Crampton, W. D. Samuel, W. H. Denison, J. F. Burnett, R. H. McDaniel, and Hon. O. W. Whitelock.

The issue of *The Herald of Gospel Liberty*, of April 30, 1925, was a "Special Dedication Number."

Dedicatorial Service

PREPARED AND LED BY REV. J. F. BURNETT, D. D.,
Secretary of The General Convention of the Christian Church

The Lord is in his holy temple; let all the earth keep silence before him.

Glory and honor are in his presence; strength and gladness are in his place.

Give unto the Lord, ye kindreds of the people, give unto the Lord glory and strength.

Give unto the Lord the glory due unto his name; bring an offering, and come before him:

Worship the Lord in the beauty of holiness.

Fear before him, all the earth.

I beseech you therefore, brethren, by the mercies of God, to present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service.

And be not conformed to this world; but be ye transformed by the renewing of your mind.

That ye may prove what is the good, and acceptable, and perfect will of God.

For I say, through the grace that was given me, to every man that is among you, not to think of himself more highly than he ought to think;

But to think soberly, according as God hath dealt to each man a measure of faith.

For even as we have many members in one body, and all the members have not the same office;

So we, who are many, are one body in Christ, and every one members one of another.

And having gifts differing according to the grace that was given to us, Whether prophecy, let us prophesy according to the proportion of our faith;

Or ministry, let us give ourselves to our ministry;

Or he that teacheth, to his teaching;

Or he that exhorteth, to his exhorting;

He that giveth, let him do it with liberality;

He that ruleth with diligence;

He that sheweth mercy, with cheerfulness.

Let love be without dissimulation, abhor that which is evil; cleave to that which is good.

Be kindly affectioned one to another with brotherly love; in honor preferring one another;

Not slothful in business; fervent in spirit; serving the Lord;

Rejoicing in hope; patient in tribulation; continuing instant in prayer.

Distributing to the necessities of the saints; given to hospitality.

Bless them that persecute you; bless, and curse not, rejoice with them that rejoice; weep with them that weep.

Be of the same mind one toward another.

Mind not high things, but condescend to men of low estate.

Be not wise in your own conceits.

Take thought for things honorable in the sight of all men.

If it be possible, as much as in you lieth, be at peace with all men.

SONG BY THE CONGREGATION

Faith of our fathers, living still
In spite of dungeon, fire, and sword,
O how our hearts beat high with joy
Whene'er we hear that glorious word!

Faith of our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God,
Mankind shall then indeed be free:

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life:

Faith of our fathers, holy faith
We will be true to thee till death.

The Leader That the Christian Church might have a Denominational Headquarters, and The Christian Publishing Association an equipment adequate to its needs, this building was planned and its erection undertaken. The builders have wrought well, and have finished their work, and we are assembled to honor the occasion, and in the spirit of humility, reverence, and thanksgiving, and with an abiding faith and great courage, to dedicate the building to the purposes for which it was erected.

The Leader and the People We who are here assembled, do here and now, in the name of the Christian Church, of which we are members, solemnly dedicate this building as The Christian Publishing Association Building.

The Leader We dedicate this building to the memory of those who have lived and labored, as editors, agents, trustees, bookkeepers, proof readers, and others, who in the days gone by filled positions of trust, and filled them well, and by whose sacrificial service, and devotion to their tasks, made it possible for this better day to be. Others have labored, and we have entered into their labor.

The People And so we dedicate this building.

The Leader We dedicate this building to the memory of James O'Kelly, Abner Jones, Barton W. Stone, and their co-laborers, whose heroic lives, stalwart manhood, rugged character, unswerving purpose, prevailing faith, courageous leadership, and enduring service, gave to their posterity a worthy example, in sacrifice and in service, and an imperishable and ever increasing theory of the believer's oneness in Jesus Christ.

The People And so we dedicate this building.

The Leader We dedicate this building to the perpetuation of the principles discovered and emphasized by the first ministers of the Christian Church, and maintained by their successors—

No Leader, but Christ

No Creed, but the Bible

No Name, but Christian

No Test of Fellowship, but Christian Character

No Dictation in the Interpretation of the Bible, but by the Holy Spirit

No Division, but that of the Good from the Bad; the Right from the Wrong.

The People And so we dedicate this building.

The Leader We dedicate this building to the memory of Elias Smith, the Founder of Religious Journalism in America. To his heroic courage; to his unbending will; to his unconquerable effort; to his implicit faith in the value of his publication; to his vision of the future; to his firm reliance upon God; to his unshakable purpose to publish—"From realms far distant, and climes unknown, we make the knowledge of our King your own"—is due the honor of giving to the world its first religious newspaper.

The People And so we dedicate this building.

The Leader We dedicate this building to the honor of The Herald of Gospel Liberty, which for more than a hundred years has been true to its name, and the purpose of its founder; to its great success in the past, and its greater success in the future; to the honorable place

it holds as the pioneer publication of its kind; to the fine literary character it has attained; to its honor as a messenger of light to all peoples of the earth; as an advocate of Christian liberty; as a loyal supporter of Christian brotherhood; as an open and effective method of disseminating religious truth, and as a leader and molder of thought in the interest of Christian unity.

The People And so we dedicate this building.

The Leader We dedicate this building to the furtherance and effectiveness of the plans and purposes of The General Convention of the Christian Church, and The Christian Publishing Association, recognizing no difference except in name. The work is one, the workmen many, and having many members fitly joined together in one body, each co-operating with the other, expresses the unity of the Spirit in the bond of peace.

The People And so we dedicate this building.

The Leader We dedicate this building to the spirit of unity, harmony, and co-operation now prevailing in the departmental, and other offices of the Church; to an uninterrupted continuance of that spirit; to the blessing of unity in variety; to the value of these departments and offices as servants of a common cause, and contributors to a common want; and to their value in accomplishing a common task and the supplying of a common need.

The People And so we dedicate this building.

The Leader We dedicate this building to the publishing of The Herald of Gospel Liberty; to the publishing of religious books, Sunday-school literature, educational and missionary journals and magazines, and to such other pamphlets, periodicals, and booklets as may be needed in the work of the church.

The People And so we dedicate this building.

The Leader We dedicate this building to a line of legitimate commercial printing; to the purchase and sale of religious and moral books; to the purchase and sale of literature and supplies used in Sunday-school, Christian Endeavor, Christian Education, Christian Missions, and to the purchase and sale of all such articles as are usually found in bookstores, or handled by Christian merchants.

The People And so we dedicate this building.

The Leader We dedicate this building to the use of The General Convention of the Christian Church, its General Executive and Departmental Boards; to a reasonable use by conferences and other Christian organizations; to a reasonable use for social purposes and to such other uses as the Board of Trustees may approve.

The People And so we dedicate this building.

The Leader We dedicate this building to a continuance of the fine sympathetic and actual co-operation that now exists between employer and employee, and between employees themselves; to the principle that no man liveth unto himself, and no man dieth unto himself, that no man is complete in himself, but that every man needs the help of every other man; to the cultivation of a social and industrial order, in which character and merit shall constitute worthiness; to the development of a sure confidence in the integrity of the man at the desk and in the honesty of the man at the machine; to a recognition of the skill of the hand that strikes the keys, as indispensable to success, as the brain that indites the matter; to the unity of brain and brawn in producing material results and worthy characters; to the principle that by labor only can thought be made healthy, and that by thought only can labor be made happy; to the coming of the day when capital shall not say to labor, I have no need of thee, and labor shall not say to capital, I have no need of thee; to the coming of a time when human sympathy and co-operation shall eliminate arbitrary distinctions, and men shall dwell together in a Christian brotherhood of service.

The People And so we dedicate this building.

The Leader We dedicate this building to the spirit of good will and Christian fellowship; to a charitable consideration of faults and a genuine gratitude for favors; to the spirit of mutual burden bearing, co-operation, and helpfulness; to fair dealing and honest business; to the recognition of human rights, and just rewards for honest service; to the ideals of Jesus Christ, for human brotherhood, by which there shall be a just distribution of responsibility and compensation; to the creating of an atmosphere of friendliness, of brotherly love, of human kindness, of Christian sympathy, and of social enjoyment, in which life may come to its best, and wherein may be found nerve for the arm and inspiration for the heart.

The People And so we dedicate this building.

The Leader and the People We solemnly dedicate this Christian Publishing Association Building to all the purposes we have mentioned, in the name of the Father, Son and Holy Spirit, now, henceforth and forever. Amen and Amen.

Proceedings of the Executive Board of The General Convention of the Christian Church

Dayton, Ohio, October 19, 1925.

The Executive Board of The General Convention of the Christian Church met in regular annual session in the Chapel of The Christian Publishing Association Building, Dayton, Ohio, on Monday, October 19, 1925, and was called to order at two o'clock p. m., by Rev. F. G. Coffin, President of The General Convention of the Christian Church.

Members present were F. G. Coffin, D. B. Atkinson, C. H. Rowland, W. A. Harper, E. A. Watkins, O. W. Whitelock, W. P. Minton, O. S. Thomas, John G. Myers, Roy C. Helfenstein, and J. F. Burnett.

Rev. W. P. Minton offered prayer.

The Secretary of the Convention submitted his annual report, which was received and considered item by item. It contained an epitomized account of the proceedings of the Board, by correspondence, during the year, all of which had been published in *The Herald of Gospel Liberty*. It showed that 351 churches had made their offering to the Convention Fund, the whole amount being \$2,739.15; that the churches of the Southern Christian Convention, and those of the Ontario Conference, remitted in bulk sums, direct through the Convention, and the Conference; that from the Southern Christian Convention came \$527.97, and from the Ontario Conference \$30.00; that the Commission on Christian Unity had propagated Christian Unity Sunday, and had received offerings for the Federal Council Fund from 142 churches, aggregating \$946.18; that the Federal Council Fund was overdrawn \$1,069.79, and \$1,200.00 yet to be paid, in order to meet our obligation according to the vote of the General Convention, at Burlington, N. C.; that there is yet to be raised nearly \$2,000.00 from the churches for the Aged Ministers' Home, 189 churches having responded to the last call with an aggregate offering of \$1,976.10; that \$3,994.02 had been received for the Near East Relief Fund, and \$13,332.95 for the Department of Christian Education; that thirty-seven conferences took offerings for the Convention, remitting \$699.69 to the Convention Fund; that the Convention office had received and distributed during the year, the following amounts:

General Convention	\$13,723.12
Foreign Missions	3,787.26
Home Missions	3,541.59
Christian Education*	13,332.95
Missions	58.14
Aged Ministers' Home	2,273.33
Franklinton College	242.83
Palmer College	15.61
Defiance College	1,138.55
Federal Council	946.18
Relief Funds	3,994.02
Purity Fund	5.54
World Friendship Fund	3.16
American Bible Society	10.00
Mission to Lepers	10.00
Elon College Orphanage	145.65
Central Convention	5.54
Salvation Army	10.00
Evangelistic Department	260.97
Carversville Orphanage	329.23
	<hr/>
	\$43,849.55

*Churches and Personal Offerings, \$8,726.61; Christian Publishing Association, \$2,041.69; Estate of Lucinda Wells, \$2,564.65.

The report called attention to the fact that in the amount credited to the Convention were several duplications, e. g. The Convention received a remittance from the Forward Movement for \$1,500.00. Immediately the whole amount is sent to the Secretary of Finance, who returns one-half the amount to the Convention, for current expenses. Thus \$750.00 is credited, making a total credit of \$2,250.00, when the whole amount credited to the current fund of the Convention is only \$750.00. Again the Convention borrows a thousand dollars. This is credited to the Convention Fund, and in due time paid, making a duplicate entry of a thousand dollars. The Convention pays the printing bill for a department. The amount is refunded, and another amount is duplicated.

The report also showed that the property willed to the Convention by the late Nathaniel Shoemaker, of the Sandy Creek Christian Church, Illinois, had been sold for \$495.28; and the property willed to the Convention by Mrs. Sarah J. Malmsbury, of Christiansburg, Ohio, had been sold for \$700.00; that the Convention had received from the estate of Elenora Godley, of New Jersey, \$50.00; and from the sale of the Worth Christian Church property, in Michigan, \$100.00. Another sum was received from the estate of Mary E. Gray, of Farmington, N. H., but too late to be included in the report ending September 30, 1925; that the death of Mr. H. C. Phelps, of North Greece, N. Y., who held an annuity note against the Convention, for \$1,500.00, released the Convention from further obligation for interest; and that Mrs. J. Clymer Graf, of Hartsville, Indiana, who held an annuity note of \$200.00 against the Convention, did of her own free will and accord release the Convention from further obligation.

On motion that part of the report reciting the proceedings of the Executive Board by correspondence during the year, was adopted.

Voted to appoint a committee to consider and report upon the item in the Secretary's report suggesting the printing of an alphabetical list of ministers, churches, and their clerks; Sunday-schools, and their Superintendents; Christian Endeavor Societies, and their presidents; missionary organizations, and their presidents, and their post-office addresses. Committee—D. B. Atkinson and E. A. Watkins.

Moved and seconded that we hold an evening session, at which time the matter of the Carversville Christian Orphanage be considered. Motion amended to read that the matter of the Carversville Orphanage be considered immediately after the disposal of the item now under consideration. Motion adopted as amended. (The item under consideration was the one referring to the Federal Council.)

Moved by O. W. Whitelock that the twelve hundred dollars (\$1,200.00) due the Federal Council in December, 1925, be paid from the funds of the Convention, and that the amount be drawn from the Savings Fund, the same to be refunded from any offerings to the Federal Council Fund. Motion carried.

W. A. Harper moved that the obligation to the Federal Council be recognized as a Convention Fund obligation, and paid out of its funds, the offering on Christian Unity Sunday being applied to its liquidation, and that any deficit accruing be paid out of the regular funds of the Convention itself. Motion carried.

Rev. L. F. Johnson, Superintendent of the Carversville Christian Orphan-

age, and Mr. F. R. Beach, Secretary of the New Jersey Christian Conference, were present, and presented the origin, work, and claims of the above named Orphanage, during which there was a general discussion of the whole matter.

Moved and seconded that a committee of three be appointed to investigate the whole situation of the Carversville Christian Orphanage and report its findings to this session of the Executive Board. Motion carried. Committee—Revs. C. H. Rowland, E. A. Watkins, and D. B. Atkinson.

The Board then adjourned to meet at 7:30 this evening.

Dayton, Ohio, October 19, 1925.

The Executive Board of The General Convention of the Christian Church reassembled at 7:30, President Coffin presiding.

Rev. D. B. Atkinson offered the following resolution, and moved its adoption:

Resolved, That we continue to take the offering for the Near East Relief Fund, through our regular channels, as authorized by the Convention in session at Burlington, N. C., October, 1922, and that we discourage any offering taken under any other auspices, and that this offering be taken in our churches on Golden Rule Sunday.

Motion to adopt seconded and carried.

Voted that Rev. Alva M. Kerr and Rev. F. G. Coffin attend the American Branch of the World Alliance for International Peace Through the Churches, meeting in Detroit, Michigan, in November, the expense to be borne equally by the Convention and The Christian Publishing Association.

It was moved and seconded that the Home Mission Department be instructed to cultivate a fellowship with the Salt Creek Christian Conference, looking toward a closer denominational relationship with The General Convention of the Christian Church. Motion carried.

Voted that the time of holding the session of 1926 be left to the Committee on Program.

Voted that the President of the General Convention, the President of The Christian Publishing Association, and Rev. E. A. Watkins, visit Urbana, Illinois, to consider the local situation and details with reference to the meeting of the next Convention.

Voted to accept the invitation from the First Christian Church, of Urbana, Illinois, to hold the General Convention with it in October, 1926, the church to furnish lodging and breakfast free of cost to accredited members of the Convention, and to provide hotel rooms for members of the Executive Board. The plan for noonday and evening meals to be determined later.

Dr. Harper moved that a committee of five, consisting of F. G. Coffin, as chairman, O. W. Whitelock, E. A. Watkins, W. H. Denison, and J. F. Burnett, be the Program Committee for the Convention session of 1926. Motion carried. (Note: It being understood that each Department prepare its own program, and submit it to the Program Committee.)

The Board then adjourned to meet at 8:30 o'clock Tuesday morning, October 20, 1925.

Minutes of the preceding session were read, amended and approved. (The amendments to the minutes were as follows: J. F. Burnett was released from the obligation to attend the meeting of the American Branch of the World Alliance, meeting in Detroit, Mich., November 10-12, and F. G. Coffin was chosen instead. The committees approved at the forenoon session of the Executive Board were changed so as to have committees on Social Service and Stewardship.)

The following motion was offered, and seconded:

Moved that as we are informed that the General Convention is mentioned as a beneficiary in the will of the late W. F. Corwith, of Brooklyn, N. Y., the President of the Convention, Dr. F. G. Coffin, be instructed to represent the Convention in co-operating with the Executor of the will, Mr. Lester F. Corwith, in carrying out the purposes of the will, so far as it refers to the General Convention.

The above motion was amended by substitution, and adopted as follows:

Moved and seconded to recommit the report for further investigation. Motion to recommit lost. Motion to adopt pending, the Board adjourned to meet at seven p. m., Wednesday, October 21, 1925.

Dayton, Ohio, October 21, 1925.

The Executive Board assembled in the Chapel of The Christian Publishing Association Building, on Wednesday evening, October 21, 1925, at seven o'clock, Rev. F. G. Coffin presiding.

Prayer by O. W. Whitelock.

Minutes of previous session read and approved.

The report of the Committee on the Carversville Christian Orphanage, that went to the table by adjournment, was taken up. The committee requested the privilege of withdrawing the report. Motion that the request to withdraw the report be granted. Motion carried. The committee then submitted a new report as follows:

CARVERSVILLE ORPHANAGE

The Committee has made as careful investigation of the Carversville Orphanage as the data available at this distance will permit. The accounting, and methods of bookkeeping seem to be careful and complete, with information of every kind in considerable detail.

After examination of the charter and constitution of the institution, the Committee is of the opinion that some changes should be made to strengthen the rights and ownership and control by the Christian Church. We are also of the opinion that in order to fully co-ordinate our entire church program to secure the greatest measure of support to all of our enterprises, a definite and permanent plan should be worked out for securing the financial support of the Orphanage, and to this plan, when officially approved by The General Convention of the Christian Church, the Orphanage management should strictly adhere.

In view of our inability, at such a long range, to formulate a satisfactory policy, and because of limited time to investigate all details, we recommend that the pre-convention committee on Social Service be instructed to make a thorough investigation of the Orphanage, its charter, ownership, finances, management, needs, plans, and future possibilities, reporting the same, with recommendations, to the session of The General Convention of the Christian Church next October. When the Convention shall have acted upon this report, the representatives of the Orphanage at this meeting assure us that any necessary changes will be made to conform to the requirements of the Convention, as to charter, management, or any other particulars.

Pending the execution of this plan, your Committee recommends that the Orphanage be permitted to make an appeal to all of our churches, except those of the Southern Christian Convention, at the Christmas season of this year, for an offering for the support of its work, but that, in addition to this, private solicitation of funds shall be made only in New Jersey, New York, and Pennsylvania, and from individual friends in other sections who have already become donors to the institution.

The limitations and restrictions of this plan are proposed entirely without prejudice to the Orphanage, but in order that the Convention, now so near, may make such permanent requirements and provisions as may seem wise to co-ordinate with its entire program, which will be determined at its next session.

In view of the fact that no satisfactory plan of co-ordinating the financial program of the Orphanage with the financial program of the General Convention has been devised, your Committee recommends that all permanent improvements in the Orphanage plant be held in abeyance and that expenditures be limited in every possible way until the Convention has taken action in the matter.

It is our desire to register here our thanks for the visit of Mr. F. R. Beach and Dr. L. F. Johnson, to this meeting, and we greatly appreciate their desire to furnish the fullest possible information concerning the Orphanage to the Executive Committee.

Moved and seconded that the report be adopted. Motion to adopt carried.

The Committee on Ministerial Training, submitted its report by Rev. W. G. Sargent. Moved and seconded that the report be adopted. Motion to adopt carried.

Rev. R. C. Helfenstein, Secretary of the Department of Evangelism and Life Service, presented the following memorial:

To the members of the Executive Board
of the Christian Church.
Fellow Workers in Christ:

The Department of Evangelism and Life Service hereby submits to the Executive Board its sincere request for the endorsement of the plan to have the various boards of the denomination co-operate in providing fifty percent of the budget of the Board of Evangelism and Life Service for the coming year. The amounts requested from various boards are as follows: Home Mission Board, \$654.38; Christian Education Board, \$654.38; Executive Board, \$523.50; Foreign Mission Board, \$392.63; Publishing Board, \$392.63.

Our purpose in asking for this co-operation is in no way to lessen the responsibility of the Board of Evangelism but rather to enable the Board of Evangelism to devote all its energies in the interest of the whole church.

The Board of Evangelism has the following plan to raise its fifty percent of the budget: first, the departmental call on Easter Sunday; second, one hundred dollars (\$100.00) and traveling expenses as a minimum from churches where Kingdom Enlistment Week programs are conducted; third, personal gifts; fourth, that the pastors holding Kingdom Enlistment Week programs for brother pastors be requested to take an offering, fifty percent of which is to be given to the Department of Evangelism and Life Service, the Department in such cases furnishing literature free; fifth, that we urge all churches that have not already done so to put the item of Evangelism and Life Service in their budget.

The Executive Secretary's work for the coming year is as follows: Laconia, New Hampshire; Bangor, Maine; Franklin, New Hampshire; Merriam, Indiana; Madrid, Iowa; Red Cloud, Nebraska; Towanda, Kansas; Truro, Iowa; Milmine, Illinois; and Danville, Illinois. This will take all our time up to Easter. There are those who are asking for dates after Easter, which will take all the time up to the late spring.

Respectfully and prayerfully submitted,

Board of Evangelism and Life Service,

R. C. HELFENSTEIN,
WILLOE J. HALL,
CLARENCE DEFUR,
ERNEST D. GILBERT,
C. H. HALLENBECK.

W. A. Harper moved to approve the memorial of the Board of Evangelism.

Moved by O. S. Thomas that the memorial be recommitted to the Board of Evangelism that it might submit its own plans for raising money. Motion to refer carried.

NOTE: The original plan was verbally stated, and the above record has to do with the verbal statement. The memorial, as here recorded, is the amended one, and was formally presented to the General Board, though addressed to the Executive Board.

The committee authorized to appoint pre-convention committees, submitted its report, which was adopted.

See list on page —.

The matter of the offering to the Aged Ministers' Home was taken up, and the following resolution adopted:

Resolved, That an additional offering be taken for the Aged Ministers' Home, and that as a special emergency it be taken on Mothers' Day.

Carversville Christian Orphanage

Reported by Superintendent Johnson

Officers—Lindsay F. Johnson, D. D., Carversville, Pa.—President.
Frank R. Beach, Irvington, N. J., Secretary and Treasurer.

Board of Trustees, 1924-1925—Frank V. Rinehart, Bridgeport, Pa.; Frank Staunton, South Westerlo, N. Y.; A. F. Foot, Everett, Pa.; J. E. Epright, Milford, N. J.; P. T. Garland, Needmore, Pa.; Miss Eliza Ryan, Cambridge Springs, Pa.; Nicholas Weber, Irvington, N. J.; E. C. Griffin, Ravena, N. Y.; Arthur A. Wright, Binghamton, N. Y.; Mrs. F. J. Denby, New Bedford, Mass.; J. B. Hagans, Magnetic Springs, Ohio; B. L. Shaeffer, Frazzysburg, Ohio; A. W. Housser, Eldorado, Ill.; J. R. Cortner, Farmland, Indiana.

The Christian Orphanage at Carversville, Pennsylvania, was made possible as a direct answer to prayer and faith. It was established to meet an increasing human need in a growing Church. It was organized to feed, house, clothe, and educate orphans and dependent children.

In the year 1922 a large property consisting of four buildings and a large campus was purchased from the Worthington estate. The property was formerly used as a large private school known as The Excelsior Normal. It is located in the eastern part of the State of Pennsylvania on the Delaware River thirty-five miles north of Philadelphia. The buildings were dedicated for orphanage purposes on July 11, 1923. The following persons were present and had a part on the program: Dr. Martyn Summerbell, Dr. Roy Helfenstein, Dr. L. E. Smith, Dr. W. H. Hainer, J. Harry Hoffman, and Dr. L. F. Johnson, the man who proposed the Institution and the leading spirit in the organization. Several hundred people representing seven Christian Confer-

ences were present, among them being many prominent ministers and church leaders.

The doors of the Institution were opened January 1, 1923. Since that date forty children have been received, twenty-three boys and seventeen girls.

Twelve of the children have been placed in good homes with relatives or friends, and twenty-eight children are in the home and receiving its benefits at the present time. Others are waiting to come to us just as soon as equipment and income will justify.

The Orphanage has secured option on a splendid farm of seventy acres adjoining its property on the north and west. The management is anxious to take over this property in fee simple this year. The farm will be a valuable asset to the Orphanage.

A few splendid improvements have been made on the plant since previous

The Happy Family at Carversville Christian Orphanage

report in The Annual, but there is need for further improvements in order to meet the future demands of the Church on the Orphanage. The plumbing, wiring, heating, and decorating the third floor of the main building have not been done. This floor will be needed next year. The furnishings for the floor have been donated and will be ready to be installed just as soon as the floor shall have been completed. This is our greatest outstanding need just now.

The work now being done by the Orphanage management is constructive and thorough. A five-point program is maintained.

1. Christian love and culture.
2. Christian education.
3. Vocational training.
4. Recreation.
5. Public School education.

The support for the Institution has been generous and from a wide terri-

tory. Thousands of our Christian Church people are interested and will continue to give their liberal support to this most worthy cause.

Franklinton Christian College, founded in 1878, was then known as the Franklinton Literary and Theological Institute. But later in 1891 a charter was obtained from the State of North Carolina, and the name of the Institute was changed to Franklinton Christian College, as it is now known. It has one of the most enviable locations of any Institution in the State. It is situated twenty-eight miles north of Raleigh, and one mile north of Franklinton, N. C., with one mile front on the main line of the Seaboard Air Line Railroad. Approximately forty-five acres of cleared land, for farming, with thirty-eight and one-half acres of woodland attached, making a total of eighty-two acres and one-half of land belonging to the school's property. The school was founded by Prof. H. E. Long, Dr. J. P. Watson, and Rev. J. W. Wellons for the purpose of training young men and women how to fit in their surroundings, in order that unselfish service for humanity might be rendered.

Walnut Hills Christian Church, Dayton, Ohio, Miami Ohio Conference

The first unit—Sunday-school—of a prospective fine auditorium, to be added, was dedicated on Sunday, June 28, 1925, by Rev. Warren H. Denison, D. D., who preached the forenoon and evening sermons, and conducted the dedicatory service, the dedicatory prayer being offered by Rev. Wilson P. Minton, D. D.

The building cost \$42,769.00, \$17,500.00 of which was raised in cash and pledges on the day of dedication. Rev. Omer S. Thomas, D. D., preached in the afternoon, and Miss Lucy Eldredge gave an address to the Sunday-school in the morning. The Sunday-school marched in a body from the schoolhouse, in which it had been meeting, to its home in the new building.

OLIVE GORDON WILLIAMS
Missionary to Porto Rico

Olive Gordon Williams was born in Gordonville, Smith County, Tennessee, May 14, 1867, and died at the Aged Ministers' Home, in Lakemont, N. Y., November 16, 1925.

In 1915 she was appointed as a missionary to Porto Rico, whither she immediately went, and where she gave the full measure of her strength to the task she most willingly volunteered to do. From a child she was interested in missions, and was the first to give to Doctor Watson, then her pastor at Troy, Ohio, the first dime he received for the "Children's Mission" which in reality was the beginning of all our denominational missionary work, both home and foreign. Speaking of her work in Porto Rico, the editor of *The Herald of Gospel Liberty* said:

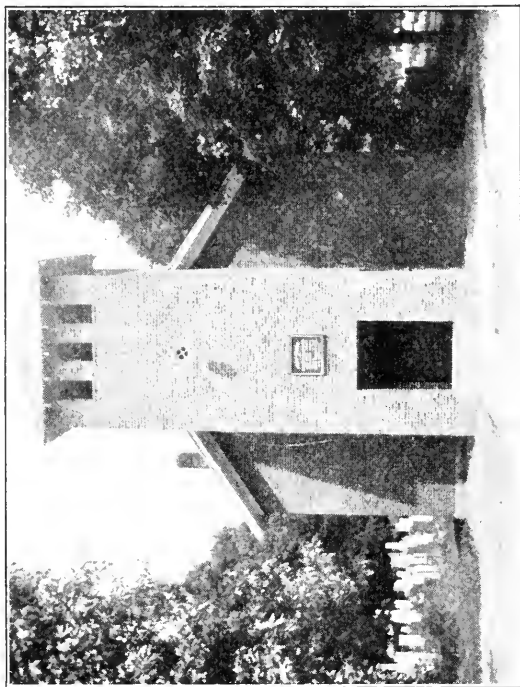

"Much of her service was in one of the most difficult towns on the island, both from the standpoint of opposition to her work and the unsanitary tropical conditions. She suffered innumerable ills but stuck to her task with remarkable energy and will power. She succeeded in accomplishing a fine work, the most important of which was along industrial lines. She broke down prejudice and turned opposition into co-operation by helping the poverty stricken children of her field to help themselves. She taught them how to make strands of beads and fine drawn work, for which she paid them reasonable wages; and she took a very deep and practical interest in all their material as well as spiritual welfare. Through this kind service she was enabled during these years to accomplish a really remarkable work along missionary lines."

Early in her childhood her parents moved from Gordonville, Tennessee, to Troy, Ohio, where most of her life was spent, and where her funeral service was conducted from the Christian Church, and her body laid to rest in the beautiful Troy cemetery.

Our Baby Home at the Christian Orphanage where 54 little tots have a home

In the year 1892 at the Southern Christian Convention held at Elon College, N. C., the President suggested the first idea of establishing a Christian Orphanage to care for the orphans and helpless children throughout our denomination.

At that time there was in the hands of the treasurer of the children fund \$5.15 with which to undertake the work of establishing and building an Institution of charity. The idea was planted in the hearts of the members of the Convention and it grew in favor and the people contributed of their funds, and the corner stone for the first building was laid in the year 1905.

The Orphanage Plant now has two large brick buildings, with another building being constructed, and will be completed by the first of the year 1926.

Two hundred and seventy-two children have had a home in this institution. It is supported by freewill offerings. Each Sunday-school is asked to make one offering each month to help support it. Each Church and Sunday-school is asked to make a special Thanksgiving offering and a Special Easter offering to help carry on the work.

The idea of \$5.15 in 1892 has grown into an institution now valued at \$150,000.00 and has in its care at this time one hundred and ten children.

Deceased Ministers

"Twilight and evening star, and one clear call for me,
 And may there be no moaning of the bar when I put out to sea;
 Sunset and evening bells, and after that the dark,
 But may there be no sadness of farewell when I embark.
 And though from out our bourne of time and place,
 The floods may bear me far,
 I hope to meet my Pilot face to face,
 When I have crossed the bar."

DEPARTMENTS

Department of Home Missions

Rev. Omer S. Thomas, D. D., Secretary

Board of Home Missions—Rev. G. O. Lankford, D. D., Burlington, N. C.—President.
 Mrs. Athella M. Howsare, 1535 N. Euclid Ave., Dayton, Ohio—Secretary.
 Rev. Omer S. Thomas, D. D., 40 C. P. A. Bldg., Dayton, Ohio—General Secretary and Treasurer.
 Rev. H. M. Hainer, 213 Tremont St., New Bedford, Mass.
 Rev. C. G. Nelson, Red Cloud, Nebraska.
 M. S. Campbell, Collison, Illinois.

From the viewpoint of achievement the work of Home Missions for the year has been one of the best in the history of that work. There is not a phase of the work where the success has not been most noteworthy.

In the Sustentation Work we have aided the pastors of twenty-three churches, three of which are tributary to other churches such as Hyde Park in Brooklyn, which is sharing the pastor of the Vanderveer Park Church. Among the home mission pastors we have some of the best pastors in the denomination and they are proving their value in the growth of the churches where they are. The movement of these churches toward self-support and the growth in the membership has been most gratifying indeed. The following churches are to receive aid for the coming year: Bangor, Me.; Vanderveer and Hyde Park, Brooklyn, N. Y.; Columbus, Ohio; East Hounsfield, N. Y.; Earlston, Clearville, and Black Valley, Everett, Pa.; Franklin, Ohio; Springfield, Ohio; Riverdale, Walnut Hills, and Crown Point, Dayton, Ohio; Muncie, Ind.; Haverhill, Mass.; Lynn, Mass.; Manchester, N. H.; West Mansfield, Mass.; Red Cloud, Nebr.; Ferguson, Iowa; Toronto, Ont.; Second Church, Irvington, N. J.; Montesano, Wash.; and the churches connected with our colleges at Albany, Mo., and Defiance, Ohio. The Irvington church is a new organization with an excellent chapel all equipped and located in a new section of the city where the opportunity for building a fine organization cannot be excelled. It is hoped that a pastor will be located with the church soon.

The Hyde Park church organized last year has during the year built a chapel which has been opened and now gives promise to become a strong point in the near future.

Closely related to the Sustentation Work is that of the Field Work in the conferences. In the last few years the conference field men have done more to revive churches and place pastors and give new life to the conferences than any other phase of the home mission work. Our work along this line has been done in the following conferences during the last year: Maine, Rhode Island and Massachusetts, New York Central, Ontario, Erie, Rays Hill and Southern Pennsylvania, Ohio Central, and all of the conferences of the Western Christian Convention. Some work was also done in the New York Western Conference. With the exception of two field men all of this work will be continued for the coming year.

During the past year the Home Mission Board co-operated in three schools in sending the pastors that they might have a part in them. The school at Defiance was for pastors only and was designed especially to take up the work peculiar to the pastor and to aid him in the solution of his problems. It was well attended, there being an average attendance of about forty pastors.

The other schools were held in conjunction with the young people including the pastors. They were held at Craigville and at Palmer College. In all we had about one hundred pastors at our schools.

About one-third of the money that was received from the Forward Movement was placed in the Church Extension Fund of the Home Mission Department and has been added to in various ways until there is now something over thirty-five thousand dollars in that fund and this has been loaned in about twenty notes most of which were for five years. These notes will soon be coming due and the revolving of the fund will be started. At the last meeting of the Mission Board the policy was adopted, requiring wherever possible, that churches receiving aid from the Sustentation fund shall plan to come to self support within a period of five years. Uniting the two policies of the revolving loan and this requirement, foundation has been laid for a concentration policy that will make possible before long for the Mission Board to start some new work about every year. The first unit of the Walnut Hills Church, Dayton, was completed this last year and now furnishes a beautiful home for that organization which is a product of our home missions. The Vanderveer Park Church is soon to break ground for their new building.

The special fields of our home mission work in the Logging Camps, in the Indian School at Ft. Apache, with the Negro at Franklinton, in co-operation with the Southern Christian Convention Board in the Southern Mountain work and the New American work at Haverhill, Mass., all remain on about the same status as last year, with the exception that there has been a change in the Montesano work. Rev. Loucks was compelled to resign on account of his health and Rev. Caldwell adds the work of pastor of that church to his other duties as missionary to logging men. Miss Edna Ruse of Dayton, Ohio, becomes his assistant and will have charge of the educational end of the work together with visitation. Another worker has been added to the staff at Haverhill and Miss Rose Kochakian becomes assistant to Miss Marguerite Youmans. Franklinton was last year recognized by the State of North Carolina as a standard high school and the faculty is now the best equipped educationally of any that we have ever had. There are now four men on the faculty who have the A. B. degree. The new Girls' Dormitory now under construction is expected to be completed by the first of March. Even then the facilities for housing the students will be inadequate to care for the growing numbers desiring to attend school there. Miss Elizabeth Howsare remains in the Theodore Roosevelt School for Indians at Ft. Apache, Arizona.

From the viewpoint of support in finances there is not the same spirit of optimism possible. Throughout all the churches of all the denominations there seems to have been a letting down of giving on the part of the membership. It is so general that we wonder whether or not there is a cause so deep seated that we cannot see it. While we have not really gone backward in our own church our support has not at all kept pace with the needs of the field and we therefore have a growing deficit. The Board has endeavored to meet the deficit as much as possible by a reduction of the appropriation. Last year the appropriations amounted to \$37,786.83, this year the appropriations including \$4,000.00 to be paid on the deficit amount to \$32,015.00 of which \$1,250.00 is tentative.

The only reduction in the staff of workers will perhaps be in the number of field men in the conferences. In other fields the churches will make up the

deficit so that the work will not really suffer although the chance to grow is not so good. It is hoped that better financial conditions may change soon and the churches will come more largely to the support of the home mission work of our church.

Department of Foreign Missions

Rev. Wilson P. Minton, D. D., Secretary

Board of Foreign Missions—Rev. W. H. Denison, D. D., Dayton, Ohio—President.
 Rev. Wilson P. Minton, D. D., Dayton, Ohio—Secretary.
 Mrs. Alice V. Morrill, 20 College Place, Defiance, Ohio.
 Rev. L. E. Smith, D. D., 4312 Colonial St., Norfolk, Virginia.
 J. O. Winters, Greenville, Ohio.
 Rev. W. P. Fletcher, D. D., 162 Westmount Ave., Toronto, Ontario.

A year ago the Foreign Mission Department presented to the General Board twelve definite propositions which it hoped to carry out as a part of its effort to make a normal gain in our overseas service. It is not an easy task to accomplish worth-while goals even under the most favorable circumstances, and it is especially difficult to do so in dealing with the uncertainties of work in a foreign country. We are profoundly grateful, therefore, to be able to report that with the exception of one proposition and the partial exception of two others we have been able to complete our undertaking substantially as planned.

1. We proposed to give Miss Stacy a furlough year of special study in America and return her to her work this fall. She spent a most satisfactory year at Defiance College, did a good piece of deputation work and is now back in Japan where she and Miss Crew are to spend the coming year in the Sendai field. Miss Crew graduated in June from the two-year language school course and is now a full-fledged missionary.

2. Our second proposal was to bring the McKnights home this year for their regular furlough which was to be spent in special study. They are now located in Boston where both are pursuing special courses in Boston University, School of Religious Education, and they have already been doing some good work among our churches and conferences.

3. Our third proposal was to begin, if possible, the church and kindergarten building in Tokyo this year. The contract has been let and the work is now under way, with funds already in hand. This will give us a splendid plant in the Naka Shibuya, Tokyo field, with a pastor's home, and also a building so arranged as to accommodate the church, a night school, and the flourishing kindergarten. The Garmans moved into the newly completed mission home in February.

4. We planned to continue the training of seven theological students and two kindergarten training students in Japan, and we are happy to say that this has been done and another theological student and two kindergarten training students added.

5. Our fifth proposal for the Japan work was to send out this fall Rev. and Mrs. L. C. Fletcher, but circumstances have made this impossible at this time. They are now located in the pastorate at Dewittville, N. Y., and hope to sail a year hence. The year in the pastorate will be valuable training for their missionary service later.

6. In Porto Rico we planned to send the Mortons from Ponce to Salinas

The Anthony Wayne Library

The Defiance College

to take charge of Miss Williams' work because of her illness. But though ill constantly she stuck to her work for many months and the Mortons were thus able to move to the challenging Santa Isabel field, where they have not only co-operated with the pastor in his work but have also had charge of the industrial work and assisted in the launching of a kindergarten and Daily Vacation Bible School. Miss Williams was eventually forced to come home and passed to her reward at Lakemont, N. Y., November 16, 1925. She gave her life to the work and suitable tribute will be found elsewhere in this Annual.

7. Our next proposal for Porto Rico was to put fifteen hundred dollars into new buildings. We have secured a suitable house and lot for a much needed parsonage at Arus at a cost of about \$1,100.00, and have funds on hand for a chapel which we would have built this year had we been able to secure the land needed. Funds for another chapel have since been secured.

8. Our eighth proposal was to have Miss Kirkpatrick, who was placed under appointment last year, complete her year of high school teaching and begin this fall a course in religious education. She is now in the midst of her studies at Northwestern University, and we hope to put her into a Union Mission School next year.

9. We planned to assume our full share of co-operative work which is becoming increasingly vital to every mission field. We have done this by representation on the faculty of the Theological School in Tokyo, in the American School, the Union Church, the Japan Christian Council, The Union Seminary of Porto Rico, the Union Evangelical Association and the Union Bookstore and Printing Press in Porto Rico, the Foreign Missions Conference, the Committee on Co-operation in Latin America, Missionary Education Movement, World Alliance for International Friendship through the Churches, Committee on International Justice and Goodwill, etc. We also had a fine representation of the great Foreign Missions Convention held in Washington in January and its message was carried effectively into many of our churches.

10. Our next proposal was to push vigorously Missionary Education throughout the church. This has been done through the columns of *The Christian Missionary*, *The Herald of Gospel Liberty*, *The Sunday School Herald*, and *Junior Herald*. We have also issued a thousand copies of a poster and nine different leaflets totaling about ninety thousand copies. These were used in special programs by about a hundred churches. Church Schools of Missions were conducted in fifty churches for the study of Foreign Missions, and 209 churches informed us that they used the leaflets in some form of missionary instruction. It is possible that others of the 509 churches contributing to Foreign Missions this year made some use of this literature. We also co-operated with the Board of Christian Education in furnishing missionary material for its various publications and in the Young People's Congresses and the summer schools, Miss Morrill and Miss Stacy assisting materially in this work. The secretary also gave a great deal of time to personal visitation of churches, conferences, and institutes besides conducting a vigorous campaign by mail.

11. Our eleventh objective was to move steadily forward in all lines of the regular work, in spite of the heavy deficit because we believed our people wanted us to. We have not succeeded in every way, but some real progress has been made. At Ishinomaki, Japan, our old property has been sold and a much more valuable lot and buildings acquired in a much better location. The

total value of our property holdings in Japan is now estimated to be 338,725.00 yen (approximately \$169,362.50).

We had 113 baptisms in Japan last year, a gain of 24; resident membership increased from 730 to 789, a gain of 59; enrolled enquirers decreased from 170 to 123, a loss of 47; Sunday-school enrollment decreased from 2436 to 2198, a loss of 238. A readjustment after the resignation of one of our Bible Women necessitated the discontinuance of one Sunday-school in Tokyo. Some of Mrs. Fry's work in branch Sunday-schools was interfered with at the time of the Japanese-American Immigration difficulties. These two items account for losses that total 530. The total loss for the Sunday-schools in Japan is only 238, so for the work outside of these two points there have been decided gains. Total contributions from the Japanese church decreased from 7,154.65 yen (\$3,577.33) to 6,965.65 yen (\$3,482.83); a loss of 189.20 yen or \$94.60; but pastoral support increased from 2,129 yen (\$1,014.00) to 2,225 yen (\$1,112.00), a gain of 96 yen or \$48.00.

In Porto Rico, church membership increased from 317 to 340, a gain of 23; Sunday-school enrollment increased from 902 to 920, a gain of 18; Christian Endeavor enrollment increased from 214 to 236 a gain of 22; total contributions from Porto Rico churches increased from \$994.26 to \$1,170.83, a gain of \$176.57; pastoral support increased from \$437.45 to \$507.00, a gain of \$69.55. Our property in Porto Rico is worth approximately \$50,000.00.

12. Our last objective was to win at least one hundred fifty to Christ during the year and to train and develop our national church membership in both fields. There were 38 confessions of faith in Porto Rico and 113 in Japan, making a total of 151—just one beyond our goal.

While we lost one of our oldest pastors in Japan (Rev. Matsukawa) by resignation, we ordained two well trained young men, Mr. Taizumi and Mr. Tanaka, both having already been tried in settled pastorates in Tokyo. Two of the four kindergarten training students are giving part time as assistants in the actual work; some of the eight theological students supplied needy churches during the summer vacation. We have eleven teachers in five kindergartens and five helpers in two day nurseries.

Mr. Victor Rivera, who served us two years in Porto Rico has resigned to take up teaching. A new worker has been added and two laymen who have been loyal workers for years have been named lay-preachers and are assisting materially in two fields.

Other evidences of growth on the part of our nationals are found in the fact that two Japan churches have raised substantial sums for new buildings and the Sendai Christian Orphanage, so long supported by our church, no longer needs help, being entirely supported and directed by the Japanese. Self-support in both fields shows some increase.

A comparison of Foreign Mission receipts for the past two years follows:

	1924	1925
General Fund	\$33,483.33	\$42,046.51
Designated Funds	17,611.28	7,058.13
Forward Movement	12,500.00	5,238.00
Total	\$63,594.61	\$54,342.64

While this shows a total loss in receipts of \$9,251.97, the General Fund, which best indicates the interest of our people, shows a gain of \$9,563.18.

There was a loss of \$7,262.00 in Forward Movement Funds and \$10,553.15 in Designated Funds, the latter partially accounted for in the fact that \$8,139.76 of last year's receipts were Earthquake Emergency gifts. Last year 455 churches gave regular offerings amounting to \$14,830.47 and this year 509 churches gave \$17,588.84, a gain of \$2,758.37. We added during the year, \$3,514.66 to our permanent funds.

Your secretary has continued to edit and publish *The Christian Missionary*, which now has its largest subscription list, and has given about 140 addresses in 17 different conferences and 63 different churches, including 15 conference sessions, and a number of missionary institutes. He traveled over 16,000 miles, has spoken to 17,280 people, and has represented the department in a number of interdenominational meetings.

1926

For the coming year the Foreign Mission Department hopes to do the following things:

The McKnights are to complete their year of furlough study, spend part of next summer in deputation work and return to Japan in September for their second term.

Miss Stacy and Miss Crew are to co-operate with the Japanese workers in the northern field taking over as much of Mr. McKnight's work as possible and giving special attention to the work among women and girls.

The new plant at Naka Shibuya is to be completed this year and we plan to add about \$750 in equipment for the kindergarten in this building.

We plan to provide a long needed parsonage for our national pastor at our strongest church in Azabu, Tokyo, the cost to be about \$2,500.00.

The eight theological students will be continued in training and at least one of them is expected to graduate next spring and enter the active service.

The four kindergarten training students are to continue their training, two of them now assisting in one of our nurseries, and two of them expecting to graduate this coming spring.

Dr. Woodworth will continue his regular work of teaching in the theological school and government schools along with his evangelistic work. Dr. Fry will continue his oversight of the middle field, and the work of Treasurer of the mission, and Mr. Garman will direct the kindergarten work, the building operations in Tokyo and represent us on the various interdenominational organizations.

We are still hoping that the health of Mrs. Llewellyn Fletcher will improve so as to enable them to go to Japan when the McKnights return next fall.

Miss Kirkpatrick, who is taking postgraduate work in Northwestern University this year, will be ready for service a year hence and we are planning to send her to Japan, if possible, as our representative on the faculty of the Japan Union Christian College for Women, or if not, as a regular missionary who will give her time to teaching as the major part of her missionary service.

We plan to put at least \$800 into the building of one or possibly two small chapels in important outposts, in Porto Rico, where there seems to be unusual opportunity for service. If possible we shall add another worker to our present force.

We are investing more heavily this year than formerly in the develop-

ment of the Union Seminary in Porto Rico, believing that in the strengthening of this leadership training institution we are building permanently for the future church. We hope to have another student in the seminary this coming year.

We have appointed a committee to make a careful investigation of a proposed plan for a closer federation of the different missions in Porto Rico, in what is to be popularly known as "The United Evangelical Church of Porto Rico." We favor the principle of union involved and if the plan is found to be feasible we propose to recommend to the General Convention a year hence that the Christian Church enter this closer federation.

We are hoping to be able to extend our territory in Porto Rico on the east by entering the large city of Guayama where at present only one mission is working, and where we have been invited to come in and give our assistance. This plan will be worked out as soon as suitable arrangements can be made for a representative to undertake the task.

We hope to continue the development of the national church in both fields by substantial gains in membership and by bringing them to larger self-support during the year.

We shall follow our established practice of stressing missionary education throughout the church. We are happy in the fine co-operation existing with the Board of Christian Education in this work. In addition to this co-operative work we shall continue to push the Church School of Missions and regular missionary programs throughout the year and at the time of the Foreign Mission period.

Since we are closing our twenty-fifth year of service in Porto Rico we plan to make this event the basis for our literature, to be used in the forthcoming Foreign Mission Period. This is especially appropriate as it will enable us to work in conjunction with the plans for Foreign Mission study of Latin America which is the interdenominational course for this coming year.

The following budget was adopted:

Japan, Regular work	\$27,000.00	
Japan, Special work	9,250.00	\$36,250.00
<hr/>		
Porto Rico, Regular work	\$10,242.00	
Porto Rico, Special work	3,654.00	\$13,896.00
<hr/>		
Miscellaneous work	\$10,000.00	
Deficit	9,543.17	
<hr/>		
Total	\$69,689.17	

This total is far below the actual requests for this year's work which amounted to a minimum of \$92,235.17. It seems a tragedy to have to cut so much from the actual needs, but there seems no other way to do until the church more fully awakens. We would call the attention of the General Board to the fact that the Foreign Mission work is a definite attempt to project the whole work of our church as it is carried on in this country, into the foreign fields. That means that in Japan and Porto Rico we have a definite evangelistic work corresponding to that department here, we have a home mission work in both fields, we have a definite program of Christian Education in-

cluding colleges and seminaries, we have a growing publication enterprise, all of which need the most faithful support if we are really to win our share of souls in the countries in which we work.

Department of Evangelism and Life Service

Roy C. Helfenstein, M. A., D. D., General Secretary

McD. Howsare, D. D., Dayton, Ohio, Executive Secretary

Members of Board

Rev. R. C. Helfenstein, Highland Park, Dover, Delaware.

Rev. Willoe J. Hall, R. R. 1, Dayton, Ohio.

Rev. Clarence Defur, R. R. 7, Eaton, Ohio.

Prof. Ernest D. Gilbert, Defiance, Ohio.

Mr. C. H. Hallenbeck, Ravena, New York.

The activities of the Board of Evangelism and Life Service during the past year have resulted in the largest proportionate increase in membership of any year in the history of our denomination.

During the year the General Secretary, R. C. Helfenstein, has given six weeks of his time without remuneration in representing the Department of Evangelism on denominational and interdenominational programs. As a member of the Federal Council team on Evangelism and Life Service on its itinerary to the Pacific Coast last winter, he represented not only the Department of Evangelism and Life Service but also the Christian denomination on that important mission, speaking from two to four times each day at large union meetings made up of pastors and laymen from all the Evangelical denominations within a radius of a hundred miles of the cities visited. The itinerary included Spokane, Washington; Seattle, Washington; Portland, Oregon; Fresno, California; Sacramento, California; San Francisco, California; Oakland, California; Los Angeles, California; Whittier, California; and Denver, Colorado. Meetings were held in each of these centers for one or two days in the interest of Pastoral and Lay Evangelism. The service rendered by the team was greatly appreciated by the churches, and pastors, and the daily press in all these cities was generous in its favorable comment on the team's work. This important service was rendered by the General Secretary in the name of our denomination but practically without expense to the Board.

The General Secretary of the Department delivered four addresses at Craigville Young People's Conference in July, and six addresses at the Elon Summer School for Religious workers. He has attended the meetings of the Federal Council Commission on Evangelism in New York City during the year, and was present throughout the Northfield Conference on Evangelism as a guest of the Federal Council of Churches, and presided at one of the meetings. The Northfield Conference on Evangelism was declared by men in a position to know to have been the most significant gathering ever held in this country in the interest of Evangelism, as the City Federation Secretaries from every State in the Union, and Denomination Secretaries of Evangelism from all the principal denominations, together with many of the most prominent pastors of the various denominations gathered for three days in conference on the great and challenging problem of an Evangelism that will meet the need of

our day. Rev. Hall and Rev. Defur of our Board, and Rev. McD. Howsare, our Executive Secretary, were also in attendance at the meeting.

In addition to the public work done by the General Secretary in the interest of the Department of Evangelism and Life Service, numerous letters have been written in response to inquiries from pastors relative to evangelistic methods, literature, etc.

The Executive Secretary, Dr. McD. Howsare, has devoted his time during the year largely to field work, in assisting the pastors in holding Kingdom Enlistment Week campaigns, and in speaking on Conference and Convention programs. The result of Dr. Howsare's work has brought nearly two thousand new members into the Christian Church during the year. He has put on twenty Kingdom Enlistment Week Campaigns in various conferences. As a result of these campaigns, one thousand seven hundred and eighty-nine (1,789) decisions were made for Christ and the Christian life. In addition to his work in holding Kingdom Enlistment Week Campaigns, he attended seven conferences, one Pastors' School, and conducted one "Retreat" for the Girls' and Boys' Congress of the Eastern Indiana Christian Conference.

A large number of pastors have personally put on the Kingdom Enlistment Week Campaign in their churches during the year under the direction of the Board of Evangelism with great success.

Practically all the leading denominations are majoring on the work of Evangelism, realizing that a comprehensive and worthy program of Evangelism contributes very definitely to the life and strength of every other department of the church. To the end that the Department of Evangelism and Life Service of the Christian Church may render a larger service to the denomination and to the Kingdom of our Lord, the following recommendations among others were adopted by the Board at its last Annual Meeting:

1. That Evangelism be given the major emphasis in our schools, in our pulpits, and in our conferences the coming year.

2. That our program for the coming year should lay emphasis upon the following:

- a. To revive the local churches with a sense of their responsibility and opportunity in claiming the unchurched of their communities for Christ.

- b. To assist the pastors and churches in making their approach to those who have no relation to the church.

- c. To conserve the work already done by offering a definite program to pastors and local churches relative to more effective methods of evangelistic conservation.

3. That we reaffirm our belief in Kingdom Enlistment Week as one of the most effective ways of winning souls for Christ and recruiting the membership of our churches.

4. That the Department of Evangelism and Life Service be organized from the Regional Secretaries down to the local church, and that suggested duties be put in printed form as a guide for all these officials.

5. That a careful revision of all church rolls be made.

6. That in keeping with the recommendations of the Federal Council, our churches observe four days as culmination points during the evangelistic year,—first, a general Rally Day the last Sunday in September; second, a Fall ingathering the first Sunday in November; third, New Year's Sunday, and fourth, Easter.

7. That a goal of "one hundred Life Service Recruits" be set for next year, and that all our pastors be asked to preach a sermon on Life Service during the graduation season.

8. That each church in the denomination be requested to take an offering

on the first Sunday in May for the support of the Department of Evangelism and Life Service.

9. That a Pre-Convention Evangelistic Conference be held the day preceding the beginning of the Quadrennial Convention next October, at which time Dr. Charles L. Goodell of the Federal Council Commission on Evangelism and Life Service and one or two of the Secretaries of Evangelism of other denominations should be invited to speak on the program. Such a conference could be made of wonderful significance to the work of this Department and would be a definite contribution to the spirit of the entire Convention following.

10. That this Department stand ready at all times to co-operate in every way possible with every other Department of the Church.

For three years, the Department of Evangelism and Life Service has sought to render a definite and worth-while service to the denomination of which it is a part. How well it has succeeded, we will leave for the pastors and churches to say. Scores of pastors and laymen have declared that the creation of the Department was certainly in the providence of God as evidenced by the new conception of evangelistic obligation and opportunity the Department has given the denomination. The Department of Evangelism and Life Service desires to be of assistance to the pastors, the churches, the conferences, and the conventions of the Christian Church.

The Forward Movement and Bureau of Christian Stewardship and Promotion

Rev. Warren H. Denison, D. D., Secretary

With December 31, 1924, the separate and temporary organization of the Forward Movement of the Christian Church came to a close. For some time previous to that your Superintendent had been charged both with the duties pertaining to the Forward Movement and the additional work of Stewardship, Promotion, and Social Service.

With January 1, 1925, the Bureau of Christian Stewardship and Promotion took over and continued all the work of the Forward Movement and that of Stewardship, Promotion, and Social Service.

This report is therefore made in two parts as to finance, but in all other matters is not separated.

ACTIVITIES FOR THE YEAR

Your Secretary has traveled 17,720 miles and has given 340 addresses; attended two Regional Conventions; attended three annual conference sessions; attended the Biennial meeting of the Woman's Mission Board at Muncie, Indiana; participated in two State interdenominational United Stewardship Council Institutes; dedicated or rededicated the following churches and buildings—churches at Dover, Del.; Bethsaida, Ill.; Porterville, Ill.; Walnut Hills, Dayton, Ohio; Crown Point, Dayton, Ohio, parsonage and educational buildings, securing in cash and subscriptions about \$24,000.00; was instructor in Stewardship, Church Organization, Church and Pastoral Problems, in three of our Summer Schools, at Palmer, Elon, and Bethlehem Colleges; attended the Sunday-school and Christian Endeavor Convention of the North Carolina and Virginia conference; attended a meeting of Denominational Promotion Secretaries and Committee on Financial and Fiduciary Matters of the Federal Council; attended a meeting of the Social Service Commission of the Federal Council; attended three Ministerial Associations; conducted 39 Stewardship Institutes in nineteen different conferences as follows: Miami, Ohio, 5; Eastern Virginia, 6; Northern Kansas and Nebraska, 5; North Carolina and Virginia, 2; Western Iowa, 3; Georgia and Alabama, 2; Eastern North Carolina, 2; Eel River, 2; Western Indiana, 2; one each in the Ohio Central, Ohio Eastern, Southern Ohio, Western North Carolina, Northwestern Kansas; Southern Kansas; spoken in fifty-five different churches in fourteen States; assisted in several churches in training Every-Member canvassers and helped inaugurate campaigns of various kinds.

At Burlington, N. C., he spent six days in intensive stewardship teaching and in training that large congregation for making the Every-Member canvass for a budget of \$11,000 aside from the large benevolent funds raised annually by their Sunday-school. This was a worth while experiment and will help guide in the future plans of the Bureau.

LITERATURE

He has prepared eleven different pieces of literature for general use and has had 41,000 copies of the same printed, also has purchased several suitable leaflets from other denominations for our use. Aside from this our people have secured much literature direct from the Layman Company upon our suggestion. He has made special effort to place stewardship books and charts in homes, Sunday-schools, church and college libraries to help make the work

even more permanent. He has furnished a column each week for *The Herald of Gospel Liberty*, and *The Christian Sun*; also articles for *The Christian Vanguard*, *The Sunday School Herald*, *Ohio Christian News*, and assisted in special stewardship numbers of *The Herald of Gospel Liberty* and *The Journal of Christian Education*. The editors of all our papers and Sunday-school literature have heartily co-operated in every possible way to create a stewardship atmosphere. It is greatly appreciated by your Secretary.

MISCELLANEOUS

1. Your Secretary has promoted all phases and departments of our work with voice and pen. He believes thoroughly in a well rounded church program both locally and denominationally, and is constantly seeking to simplify and make more efficient local church organization and encourage harmonizing it with the denominational program. Steadily our churches are adopting our great fivefold program and organizing their churches with the departments of Devotion, Evangelism and Life Service, Christian Education, Missions, Stewardship and Finance. Many of the conferences are organizing on the same basis with the additional department of Publications.

2. We are at a time when much church building, repairing, remodeling, enlargement is being done by our churches. Better equipment is being provided. Pastor's salaries are being increased. Local enterprises are being emphasized. This is splendid; but there is a serious danger that should be avoided and to which we would call attention, namely, that there should be no lessening of funds for the general enterprises of the church. If the benevolent enterprises of the church are allowed to suffer it spells disaster to our general work and will mean spiritual loss to the churches. We are as definitely responsible for the whole work as for the local work. We urge all to read again the editorial in *The Herald* of October 8, 1925, on "The Pastor's Freedom."

3. Our judgment is that the Convention did a very wise thing in asking all churches and organizations to increase their benevolences at the rate of fifteen percent annually. The principle of steady growth is basic. The percentage is fair, wise, and reasonable. We suggest that this be made a slogan, a goal, by all the departments of our work and by all our agencies. Let it be known to all our people, let it be kept before them by every Department Secretary, and let it be constantly used as a basis of comparison.

4. We rejoice at the steady increase in the numbers of churches which are using the approved methods of church finance, which are making a budget annually with two parts, making the Every-member canvass in the best way, securing weekly offerings for local expenses and for benevolences, using the duplex envelopes.

5. Tithing is rightfully taking a deeper root among the people and bring-joy to many stewards. We urge all pastors to conduct an annual stewardship program during the Stewardship period of November and December and close it with an enrollment of tithers as one means of conserving its results.

6. We call attention to the fact that many churches which have doubled or greatly increased their Sunday-school and church membership in the last half dozen years are not correspondingly increasing their benevolences to the church. Unless our pastors and churches face that matter seriously

there will be great spiritual blight and fifty percent of those coming in at their front doors will have departed out of their back doors within the next five years. Members will not keep their hearts where they do not have treasure worth while invested.

7. While we are thankful for the increasing interest in Stewardship we are keenly mindful of the fields of Stewardship work that our church and boards greatly need and which we have not touched, and which can not be touched by one lone Secretary. There is serious need for two other departments of this work and to which we should come at an early date. In general the fields are three:

a. To carry on work as now being developed by your Secretary; the educational process reaching the last church and member, preparing literature, developing stewardship programs, holding local institutes, attending conferences, conventions, group meetings, interdenominational representation, stewardship schools, writing for church literature, the every-member canvass, tithing, etc.—*the educational process*.

b. To assist in larger enterprises such as spending days in assisting churches that have large budgets in their campaigns of preparation; helping raise church debts, inaugurating church building projects; counseling with those who are in charge of special financial campaigns, such as conference campaigns, college campaigns, and other special funds, conducting Church Schools of Finance, etc.

c. The private work of cultivating large gifts for our enterprises without prejudice, cultivate bequests through wills, seek annuity gifts, estate notes, insurance as bequests, keep our people and our lawyer friends informed as to the corporate names of all the church's enterprises.

DURING 1926

a. Every church should use the every-member canvass.

b. Each church should conduct a definite stewardship program.

c. All churches and conferences should elect Stewardship Secretaries and report their names and addresses to this office.

d. Each conference should emphasize holding a simultaneous every-member canvass for all the churches of the conference.

e. The General Convention should recommend an annual date for establishing a denomination-wide every-member canvass.

f. All pastors, churches, stewardship secretaries and conference officers should examine their budgets as to the ratio between the amount spent by the local congregation for itself and that actually given for the benevolent enterprises of the church, so that there may be a truly Christian division and all the work be properly provided for.

g. We believe that the General Convention should work out a simple, equitable, efficient budget plan for our denominational benevolences.

We appreciate heartily all the loyal co-operation that has been given this Bureau, and sincerely desire to be of real service to the churches and brethren. We believe that when the tide of spiritual power through Christian Stewardship flows in, every vital force shall be released, and all the vessels of our Christian church fleet will be lifted.

(Signed) THOMAS C. AMICK, *Treasurer,*
Department of Christian Education.

This certifies that I have examined and audited the books of Thomas C. Amick, Treasurer of the Department of Christian Education, and have found them correct, and that the above report of the Treasurer of the Board of

Christian Education is the true report of the business of the Board passing through the Treasurer's hands during the year, October 1, 1924, to October 1, 1925.

(Signed) CHAS. D. JOHNSTON, *Auditor.*

GENERAL SECRETARY'S REPORT

In my report last year I suggested two main lines of effort on which we should concentrate; organization and education. Our field workers and editors have consistently applied themselves to these two objectives for the year just closed. Their reports will give the details of their manifold endeavors.

GENERAL SECRETARY'S WORK FOR THE YEAR

I have aided in the organization and other promotional work by correspondence and in the Southern Convention have presented the work of the Board without cost to it at several conferences and Sunday-school and Christian Endeavor Conventions.

I have edited *The Journal of Christian Education* and contributed to *The Christian Sun* and *The Herald of Gospel Liberty* a few articles relating to the work of the Board.

I taught in the Elon Summer School and had accepted a place on the Craigville program, but could not fill it because of sickness in my home. Dr. Sargent supplied for me at Craigville. I am grateful to him.

I attended the mid-year conference of our field workers in February in Dayton, where we gave special attention to plans for our Summer Schools and the financing of our colleges.

In April I came to Dayton again and conferred with Presidents Coffin and Caris and the members of the Board who were present at the dedication of the Publishing House. We agreed that with Dr. Sargent's approval I should go to Weaubleau, Missouri, and secure Dr. O. B. Whitaker as a special field worker for the colleges, dividing the funds he should raise after the deduction of expenses equally between Palmer and Defiance, except where gifts were specially designated. Below we show the result of this effort. The treasurer of this Board carried this as a special fund and will make a special report of it. We were to pay Dr. Whitaker \$250.00 a month and expenses.

At the February meeting it was agreed to use lessons of a constructive character, dealing with our history, principles, and program, instead of the review lessons for each quarter. Dr. Helfenstein agreed to supply the Scripture lessons and daily readings. His fine work in that direction follows:

I read the copy of the group graded lessons as prepared by Misses Eldredge and Stearns and approved the same for printing. Our managing editor saw them duly through the press. We should arrange with The Christian Publishing Association for issuing these lessons for our people.

I did what I could for the colleges by collecting lists of possible donors, furnishing them to the executives, and addressing them personal letters.

I have given such aid and direction as I could to our editors, field workers, and organization leaders, whose work it seems to me has been of a very high order.

I have prepared for The Christian Annual the college statistics and other important items respecting our work. Miss Eldredge supplied for The Annual the Sunday-school and Christian Endeavor matter.

Dr. A. B. Kendall represented us at the Portland Christian Endeavor Convention and Dr. W. G. Sargent at the Washington Missionary Conference. We paid the expenses of these brethren as per your vote in session last year.

On May 29, 1925, Dr. J. F. Burnett mailed your treasurer a draft for \$2,792.24 without items. Only July 6, 1925, he wrote me that \$2,564.65 of this amount came by the will of Lucinda Wells. This money had been deposited to the treasurer's checking account, but was immediately placed on certificate of deposit in the same bank.

The Regional Directors were by vote of the Executive Committee not invited to attend this session of the Board, but to report their work in writing.

Each field secretary and editor of this Board in my judgment should be a member of the General Board, but not of this board. Members, editors, and field secretaries of this Board should not be members of other boards of the General Convention, other than the General and Executive Boards as the constitution requires.

The death of Brother W. F. Corwith has removed from our Board's membership a consecrated and devoted man. A special committee should report at this session in appropriate resolutions.

OUR CHRISTIAN EDUCATION LITERATURE

Mr. Chase has furnished us the facts as to circulation of our Christian Education publications since October, 1923. You will observe that there is a gain in every publication except the Young People's Quarterly and the Boys' and Girls' Quarterly. These losses are likely to be accounted for by the intro-

duction of graded lessons. The introduction of Group Graded Lessons will entail still further losses for these publications.

It is gratifying particularly to note that *The Sunday School Herald* is back now practically to what it was in October, 1923. Then its circulation was 10,500. This year it has averaged 10,322 per quarter and the quarter ended September 30, 1925, showed a circulation of 10,666, the largest in its history. The same is true of the *Primary-Junior Herald*. In October, 1923, its circulation was 5,621. For the quarter ended September 30, it was 5,601, while it has averaged for the year 5,506.

We should rejoice that our Sunday-school literature increasingly shows signs of an integrated curriculum. The other departments are co-operating beautifully with our editors and the future looks hopeful. There is need of an editor-in-chief of Sunday-school literature, so that a closer integration may be effected. The Managing Editor cares for emergencies that arise on the eve of printing, but an editor-in-chief would have the duty of approaching all editors with concrete suggestions for closer integration and also of passing on to all editors the educational plans of the co-operating departments. This editor would also study for opportunities to incorporate in our treatment of the Sunday-school lessons instruction in denominational history, principles, and objectives, in missions, in stewardship, in Christian nurture, in evangelism, in social service, and in higher education. We shall not attain an integrated program without such an official.

Books ought to be written by our people. We should and could expect the editor-in-chief to encourage our leaders to produce such books and our Antioch Press to publish them.

OUR COLLEGES

The relationship of Union Christian College to the educational work of the Church should be determined by this Board after consultation with President E. A. Watkins.

We should put forth every effort to raise the full twenty thousand dollars for Palmer and Defiance Colleges this year. If possible, we should raise the balance on the \$10,000 for each which we failed to provide this year.

The Christian Divinity School is to be made the subject of a special committee's report to the Executive Board. It is presumed that this report will also be brought to our Board's attention as information.

Our colleges need an increased income and for the most part enlarged plants. The annual deficits must be wiped out, debts must be paid, and endowments must be decidedly increased. We should set a goal of \$1,000,000 productive endowment for a four-year college and of \$300,000 endowment for a two-year college. Our goal of \$10,000 annually each to Defiance and Palmer should be reached.

PLANS AND NEEDS

At the annual trustee meeting in June a special committee of trustees was formed to prepare a program for the development of the college, covering an extended period of years. That committee has not yet completed its task. The outstanding needs as known at the present time are:

First: Sufficient cash in current income to balance the budget. Approximately \$15,000 more than is now in sight is needed for the current year.

Second: Additional capital funds amounting to approximately \$150,000 before March 1, 1927, to meet the final requirement for membership in the North Central Association.

Third: The beginning of a building program to enable the College to care for a larger number of students. Two or three buildings are very seriously needed.

- a. Additional dormitory for women.
- b. Library.
- c. Gymnasium.
- d. Addition to Sisson Hall.

Fourth: Capital funds in addition to the amount mentioned above sufficient to increase the faculty. One item in this need stands out pre-eminently:—The endowment of a Chair of Christian Education, \$50,000.

The items indicated above will all find their places in the program which is being developed by the Committee of the Board of Trustees. Other items for later development will also be included.

The Christian Divinity School continues to serve our church well and efficiently in the preparation and training of Christian leaders both in the ministry and in the laity.

The Christian Camp Meeting Association was organized in 1872. A tract of land was purchased on the south shore of Cape Cod, where the association has control of one of the finest beaches in the world and where there has been developed a summer colony named Craigville with some fifty or sixty cottages and bungalows, a tabernacle, Craigville Inn, post office, about three hundred and fifty bath compartments with the pavilion, garages, and other equipment. The organization is incorporated under the laws of the Commonwealth of Massachusetts and by its constitution the president, vice-president, secretary, treasurer and five of the other eight members of the board of directors—the controlling

body—must be members of the Christian Church. Craigville is coming to be recognized more and more generally as the common meeting place of the constituency of the Christian Church in New England and here is held annually the New England Summer Conference. The next session of the conference is to be held from July 6 to 16, 1926. The gathering is to be in two groups, the Young People's Institute and the Minister's Conference. The two will meet together for the opening devotions and for the first period, then they will separate and will be taught by different instructors. Special information and terms supplied by D. P. Hurlburt, Chairman Committee on Religious Activities, 580 Hammond Street, Bangor, Maine.

The Afro-Christian Convention

Rev. S. A. Howell, D. D., Newport News, Va.—President.

Rev. C. A. Harris, Norfolk, Va.—Secretary.

This convention has in its membership the following named conferences: Eastern Virginia, Eastern Atlantic, Lincoln, New York, New Jersey, and Pennsylvania; Baltimore, Northern Division, Southern Division, North Carolina. It is also connected with work in British Guiana, and South America, in Central America and the Isthmus of Panama.

The above record is reprinted from The Christian Annual of 1925. Requests oft repeated, failed to secure an official report of the Convention, and in order that the brotherhood might have at least this point of contact, and the Convention kept on our lists, this meagre report is preserved. The following named conferences did not report: Eastern Virginia, Eastern Atlantic, and Lincoln. In the ministerial list, the postoffice addresses of members of these conferences are as given in The Christian Annual of 1925.

MINISTERIAL DIRECTORY

The Ministerial Directory is as correct as time and care could make it. It was checked up by three different persons, in three different ways, each using all the information available. It may be that some names appear that should have been omitted, and some omitted that should appear. None but those charged with such duties, know the difficulty of preparing a Ministerial Directory.

As an example of the difficulties, in the report for one year the name of Rev. Smith may be given as John Marshall Smith, Lenox, N. D., R. R. 7, and from the same conference secretary another year the name of John Smith, Lenox, N. D., with the R. R. omitted, or simply Doc Smith, Lenox, N. D. Then the editor must guess, and his guess is as likely to be incorrect as correct.

The best that could be done in the Convention Office, in the preparation of the Ministerial Directory, has been done, and it is submitted with the hope that it may be useful.

Rev. Dr. E. E. Helms, Los Angeles, Cal., writes us as follows:

To those who want the Communion 100 percent right, I recommend the LePage. I have had them in three large churches, Central, Wilkes-Barre, Pa.; Calvary, Philadelphia; and now First Church, Los Angeles. The world is full of Individual Communion Cup devices, but to my mind there is only one, "The LePage."
